2009-10 UFARS Code Research - for FUND 01 (Data Source -MDE prelim data)

UFARS Dimension Research Parameters	Do you have a code problem??	Enter 1 in the 'yellow' cell below for the Research Area Desired	Enter Research Report Name in the cell beside the '1' you entered	Enter up to (20) codes in the research area you select. Look at the 'CODES' worksheet if you need assistance in defining your research. The resulting report will accumulate the data for the codes listed. If you want a report for a single code, just enter one code number. A code error is reported to the left in the red cells. Read the comment. Look at the DNames worksheet for district numbers as needed.
Enter a 1 in J6 if you are using a Range in your selected dimension				1
You may use > and < entries by using the green cells				Greater > / < Less
Research by Object of Exp.	Codes Good		All Salaries	99 / 200
Research by Program of Exp.	Codes Good		Athletics Exp.	291 / 297
Research by Fin Code of Exp.	Codes Good	1	Staff Development	305 / 309
Research by Program Revenues	Codes Good		Athletics Revenues	291 / 297
Research by Rev Fin Code	Codes Good		Deferred Maint.	384 / 386
Research by Rev. Source	Codes Good		Property Tax Levy	0 / 2

Read the comment in J6 to understand how to use the RANGE feature in this file.

RANGE - enter codes for > and < in blue numbered calls for analysis.
