

# Hope Survey

1

Gather student and staff perceptions of school using surveys and ongoing dialogue

*What do we already have?  
What do we need to triangulate the data?*

6

Share the findings and the plan

*Be aware of:*

- *Implementation dip*
- *Tipping point*

2

Link perceptions to desired outcomes

*Build your IDEAL school culture into your strategic plan*

*Human Centered Design*

3

Identify areas of need in school climate & culture

*Where are the areas of largest need?*

*Low hanging fruit?*

4

Identify the most engaging strategies

*Brainstorm strategies that fit your school culture*

5

Implement & team on strategies

*Strive for consensus*
