Notification: COVID-19 Updates web page

May 1, 2020

Language translations added: Find links to information in Hmong, Spanish and Somali language at the top of the main COVID-19 Updates web page. This information provides an overview of COVID-19 for students and families, and shares a few translated resources. We will continue adding translated resources.

Recordings of webinar trainings available now: Distance Learning Webinars for Educators - Each recording includes captions. A few webinars are available now, and we will continue to add more as captioning is completed.

Sub-pages updated: Resources have been added or updated on the following pages:

- Student Instruction COVID-19 Resources
- Supporting Students and Families COVID-19 Resources
