MASA Announces the 2022 Regional Administrators of Excellence

(St. Paul, MN) – The Minnesota Association of School Administrators (MASA) has announced the recipients of the 2022 Regional Administrators of Excellence Awards. Each of the administrators who received this award is recognized for their leadership, concern for students, and active involvement in professional and community affairs. The recipients will be honored at a statewide recognition ceremony during the MASA/MASE Spring Conference held March 10-11, 2022.

Established in 1985, the purpose of the Region Administrator of Excellence Award is to honor an administrator each year from each of the nine MASA regions. The person selected is representative of the leadership excellence found in MASA members, exhibits a willingness to risk, possesses strong communications skills, is a progressive change agent, and has high expectations for themselves and others. Each recipient is an active member of MASA who demonstrates professional and organizational leadership within their respective region. MASA members of each region determine the recipient of their local award.
