

## EDPlan™ EasyIEP™

### Is too much paperwork taking valuable teacher time away from students in your special education program?

EasyIEP, a leading web-based ASP special education management system, can help you improve processes and service to give teachers 25 to 40 percent more time with students, while helping you achieve federal and state compliance.

Public Consulting Group (PCG) is a leading provider of comprehensive, web-based student case management solutions for special education. When combined with the expertise of PCG professionals who understand education, educational organizations, and how to effectively guide a school district through a comprehensive implementation process, EasyIEP system can help districts successfully plan, implement, and manage students' Individualized Education Programs (IEPs) in a manner that increases teachers' time with students and helps districts to achieve federal and state compliance.

#### Features

PCG closely tracks changes to the Individuals with Disabilities Education Act (IDEA) and continually adapts EasyIEP to meet the changing needs of education stakeholders, from teachers, administrators, and other education experts to parents. Unique features include:

- ✓ Compliance and event alerts with flexible parameters to help schools stay in compliance with IDEA requirements and timelines
- ✓ A 'virtual' file cabinet of each student's special education related documents to ensure complete and accurate record keeping
- ✓ Tracking of teacher credentials
- ✓ Ability to easily create state reports from data stored in the system, reducing duplicate data entry
- ✓ EasyFax™, an EasyIEP option that gives districts the ability to easily capture and convert paper documents to paperless format
- ✓ BehaviorPlus™ and BehaviorPlus mobile™, innovative student behavioral intervention solutions
- ✓ Advanced research and reporting functions that allow educators to make the best use of the data they collect with EasyIEP
- ✓ Recording, tracking, and management tools to readily produce IEP Summary of Performance documents
- ✓ Workflow support and centralized documentation for Child Find activities

## Benefits

PCG professionals and subject matter experts work closely with district and school leaders and classroom teachers to effectively customize and guide each EasyIEP implementation to address a district or state's unique requirements.

Benefits of the system include:

- a documented 25 to 40 percent increase in teacher time spent with students
- intuitive, built-in compliance measures
- state-of-the-art advanced reporting and data analysis capabilities
- 24/7 system monitoring
