- MDE received 2/3 of the funding in May. Balance to come our state plan is approved.
  - State plan submitted at the end of June.

# ESSER 9.5%

- State Plan

# ESSER 5% - Learning Recovery

MDE will allocate funds directly to public schools to support those closest to our students using a formula based on the number of historically underserved students (HUS) with a particular emphasis on students receiving special education services.

- HUS is defined as students of color, American Indian students, students eligible for free or reduced-priced meals, students receiving special education services, students who are English learners and students experiencing homelessness.
- A comparison will be made to what districts received from the 90% title-based allocation and only unmet need will be funded.

# ESSER 1% Summer Enrichment

- Competitive grant opportunity from MDE to educational entities
- 50% of funds to community organizations
- 50% to culturally specific community organizations

# ESSER 1% Afterschool Programs

MDE will allocate funds to Ignite Afterschool, an organization and network leader with expertise in evidence-based after school programming, for grant distribution.

- 50% of funds to community organizations
- 50% to culturally specific community organizations

- Community Engagement - \$2m

# Special Education Funds

## Minnesota's Allocation: \$52,415,763

Funds are intended to support early intervention and special education services for infants, toddlers, children and youth with disabilities and their families.

- Supplemental funds are for FFY21
- Applications have been loaded for SFY 2022
- Funds are intended to help recover from the impact of the coronavirus pandemic and to safely reopen schools and sustain safe operations

The Office of Special Education Programs has issued general guidance around uses of these funds and reminds LEAs to consider sustainability. LEAs should focus on challenges from the pandemic, including:

- School re-entry
- Disruption in the education of children with disabilities
- Mental health services

LEAs should also focus on the issue of equity in special education and early intervention services.

FINCodes:

- Part B 611 (140)
- Part B 619 (141)
- Part C (142)

# Support for Homeless Youth

# ARP: State Fiscal recovery Funds

## Summer Academic and Mental Health Supports – \$34.614m

Provide public schools and districts a general allocation to create partnerships and provide services in the following areas:

- FinCd 150
- Expand mental health and well-being supports to youth and adolescents attending school district and charter school summer learning programs.
- Partner with community businesses and organizations to develop a summer mentor and/or tutoring model that covers enrichment programming and other costs such as transportation and meals to increase student participation.
- Bring school-based summer programs into the community, providing opportunities for enrichment, social and emotional skill building, mental health supports, and tutoring services.
- Provide students with summer field trips for hands-on learning opportunities. Hands-on learning opportunities include activities such as trips to nature centers, state parks, zoos, museums or theaters.

# ARP: State Fiscal recovery Funds

- **Preschool for 4-5 year olds - \$20m**

An allocation to provide preschool or pre - kindergarten to 4- and 5-year-olds. These funds can be used in a star-rated, public or private, preschool or pre-kindergarten in-person learning program. (FIN165)

- **Expand Access to tutoring - \$3.25m**

Expand access to services, including: academic enrichment, mental health supports, and other wrap-around services and enrichment opportunities for K-12 children. Grants will be provided to experienced entities, such as community organizations. Two percent of grant funds will be reserved for grant administration. (FIN167)

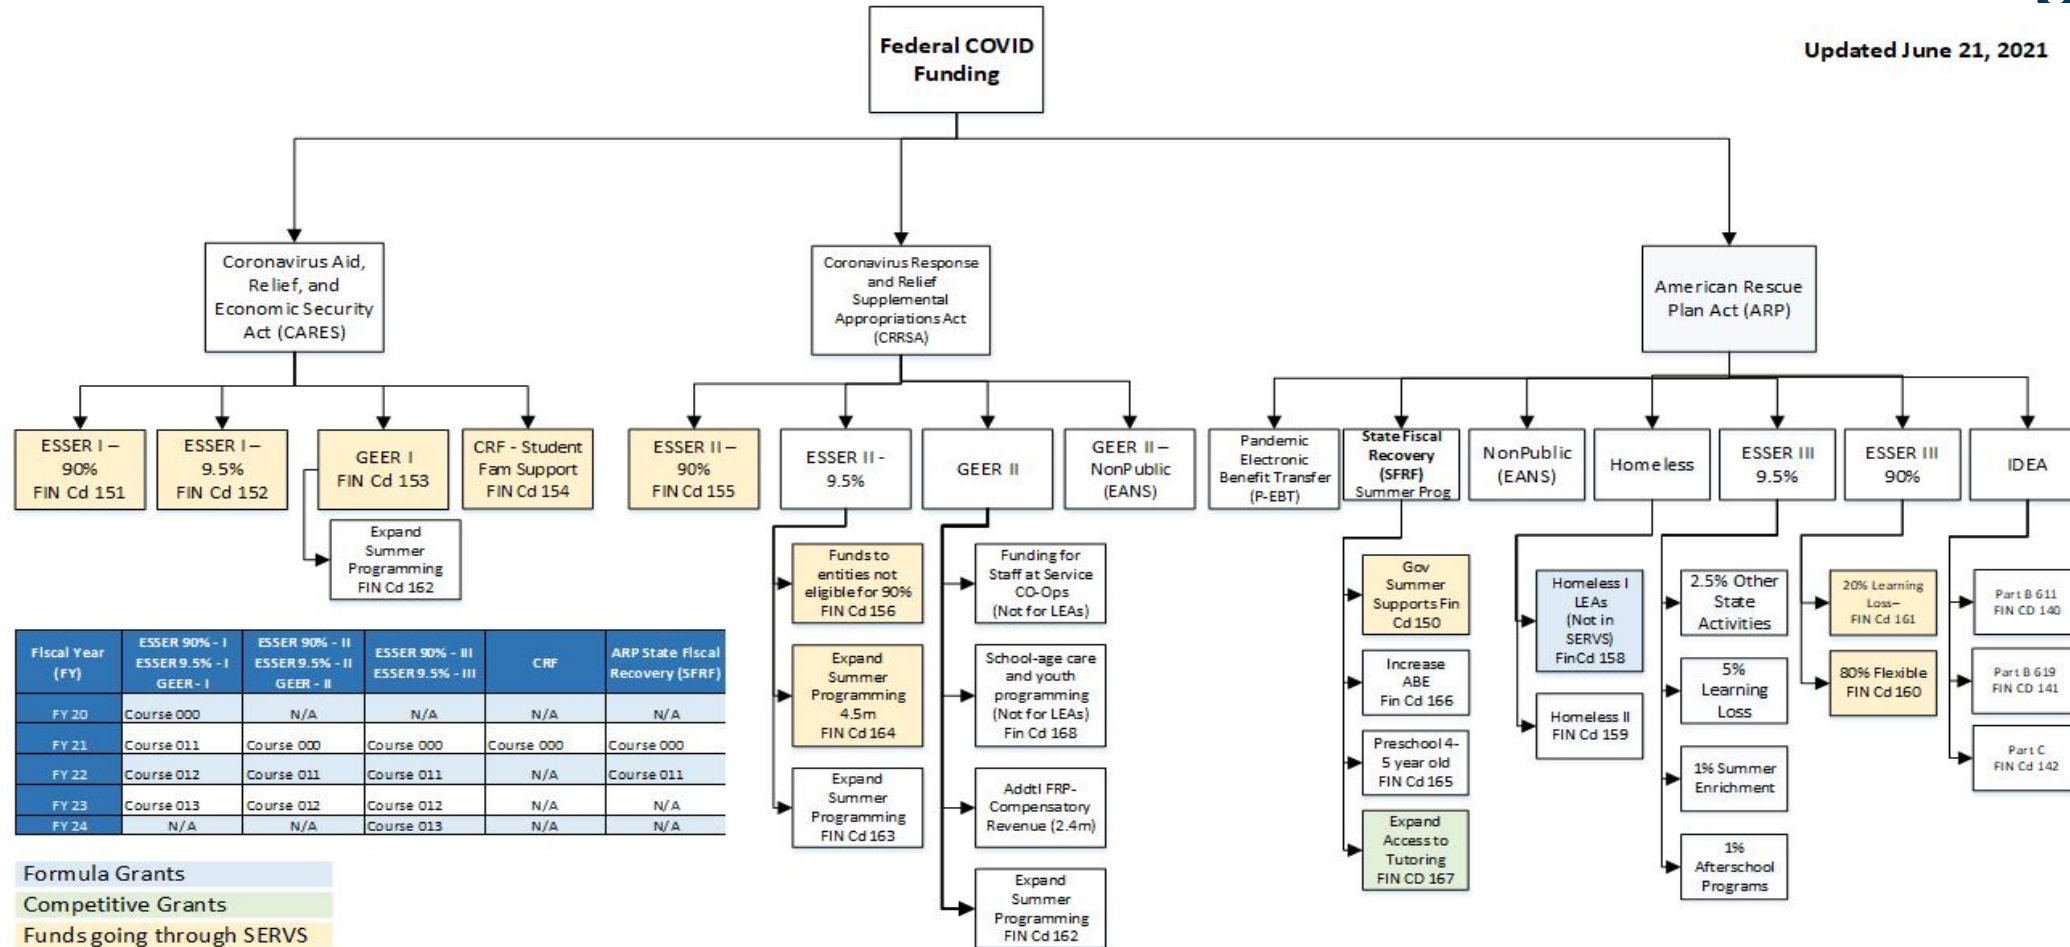

# ARP: State Fiscal recovery Funds

- **Increase Adult Basic Education Program Funding - \$10m**

Strengthen Adult Basic Education (ABE) programming statewide to ensure access to, enhance the quality of, and to increase the ABE programming available. This will fund expanded ABE programming for the summer of 2021 and, if funding remains available, will be used throughout fiscal year 2022 to build and help sustain enhanced programming year-round. (FIN166)
