

# Funding for your schools

Minnesota schools are receiving \$588 million in emergency funding from the latest federal COVID-19 relief package approved in late December through the [Elementary and Secondary School Emergency Relief \(ESSER\) Fund](#).

Maximize your ESSER fund purchases through cooperative contracts. Take advantage of competitively bid contracts on everything from HVAC to health and safety supplies to easily purchase what your school needs.

What to do next:

1. [Learn more](#) about ESSER funds.<sup>1</sup>
2. View estimates per Minnesota [school district](#).<sup>2</sup>
3. Apply for funds through the [Minnesota Department of Education](#).
4. [Explore Sourcewell contracts and solutions](#) to maximize your ESSER funds.

As your ally in education, we want to help streamline this process and quickly put pieces in play to help make classrooms welcoming and safe.
