

Support for School Nurses

Our school nurses are working every day to support students and staff. Please check in on these valuable team members to make sure they are doing okay. Additional supports for school nurses include:

MDH weekly school nurse calls offer support for all school nurses who are able to attend. Nurses can bring questions and get answers, and feel heard even if there are 500-1000 people on the call.

MDH school health email can be reached for 1:1 support on various topics/issues school nurses are working with: health.school.health@state.mn.us

Access to Basecamp: If your school nurse needs access to the School Health Services Basecamp, they should contact Tracy Schultz, Health Educator, MDH at Tracy.Schultz@state.mn.us

- To create an account, the following information will be needed: Full name, email address, professional designation/title and school/district.
- For help with Basecamp or questions related to its use, please send an email to health.school.health@state.mn.us for assistance.
- *Please DO NOT create accounts for other people, delete items, or move them*
