

## Who We Are

SiteLogIQ is a 'Program Management Firm' that assists public entities with the optimization, revitalization, renovation, and new construction of educational institutions and municipalities.

## SiteLogIQ by the numbers

SiteLogIQ has assembled the region's finest group of professionals dedicated to assisting entities in optimizing the efficiency and maximizing the life cycle of their existing facilities.

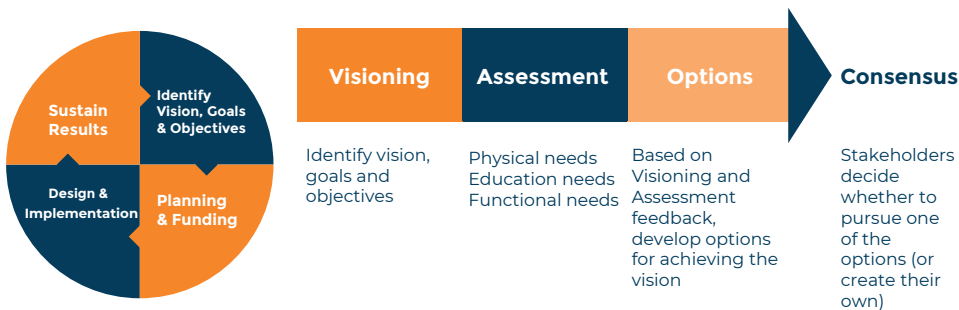

### OUR 8 MIDWEST LOCATIONS

# Our Process

There are **FOUR** phases to every SitelogIQ project:

Vision | Planning & Funding | Design & Implementation | Sustaining Results

Our collaborative process is designed to work with both the District and Community to achieve its long range Vision.

## Why SitelogIQ?

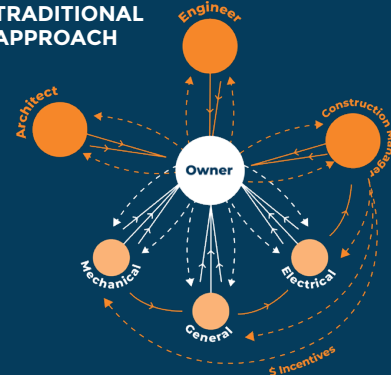

SitelogIQ is in the marketplace to change how districts think about their facilities and plan for improvements.

- **Complete Project Life Cycle**
- **Single source of responsibility and accountability**
- **We identify alternative funding options for you**
- **Unequaled expertise in existing facility renovation & upgrade**
- **Collaborative Approach**

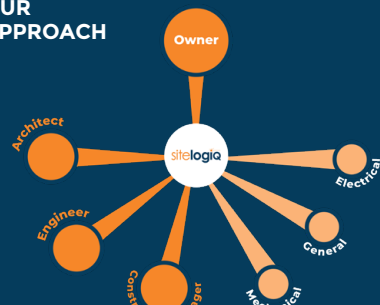

### OUR APPROACH

SitelogIQ eases the administrative burden by reducing project complexity through streamlining communication channels; effectively, filtering out the “noise” of independent service providers.
